BURPEE'S SWEET PEAS

Early or Winter Flowering Spencers

BURPEE'S SWEET PEAS were awarded two more Gold Medals this spring when exhibited by us at the International Flower Show, New York, March, 1923, and at the Chicago Flower Show, April, 1923.

Burpee's Sweet Peas are recognized as the very finest in existence.

Our reputation as Sweet Pea specialists is founded upon the thorough and extensive work we are doing on Burpee's Fordhook Farms in Pennsylvania and Burpee's Floradale Farms in California.

We have been growing Sweet Peas for many years on an extensive scale in our own greenhouses and in the open, and have always been in close touch with many florists who specialize in Sweet Peas. This has given us a wide experience and thorough knowledge of the grower's problems, his needs and his wants. Everything possible is done to insure the quality of Burpee's Seeds and to supply the florist with superior strains of Sweet Peas as well as other flower seeds.

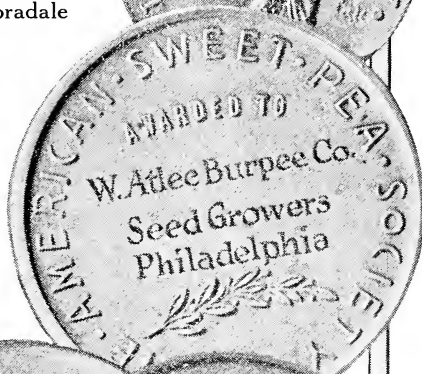

We offer the seeds listed subject to prior sale at the prices quoted, postpaid to your door. Our terms are cash with order unless we know you personally or you are in a business where we can learn your financial standing from the commercial agencies.

Small shipments may be sent by parcel post, C.O.D. You may remit with your order by Post Office Money Order, Express Order, Check, or Draft.

Please sign your name and give your complete address on every order and letter.

Your orders and inquiries will have our prompt and careful attention.

MISS SPOKANE

Burpee
Novelty
for 1924

A New and Outstanding
Bright Orange Sweet Pea

BURPEE'S
MISS
SPOKANE

This wonderful new Burpee Sweet Pea was given the name "MISS SPOKANE" by special request of the Mayor of the city of Spokane, The Chamber of Commerce of Spokane, the Advertising Club of Spokane, and the Florists' Club of Spokane, Washington.

MISS SPOKANE was awarded a Certificate of Merit at The International Flower Show, New York, March, 1922, and at the National Flower Show at Indianapolis, March, 1922. Whenever exhibited, it was one of the "feature" bunches, always drawing special attention on account of its unusual color, immense

size, length of stem, and remarkably fine form. The standard is peach-red, the wings bright scarlet, blending into a bunch effect of rich orange-scarlet. The color is most appealing, either by day or under artificial light.

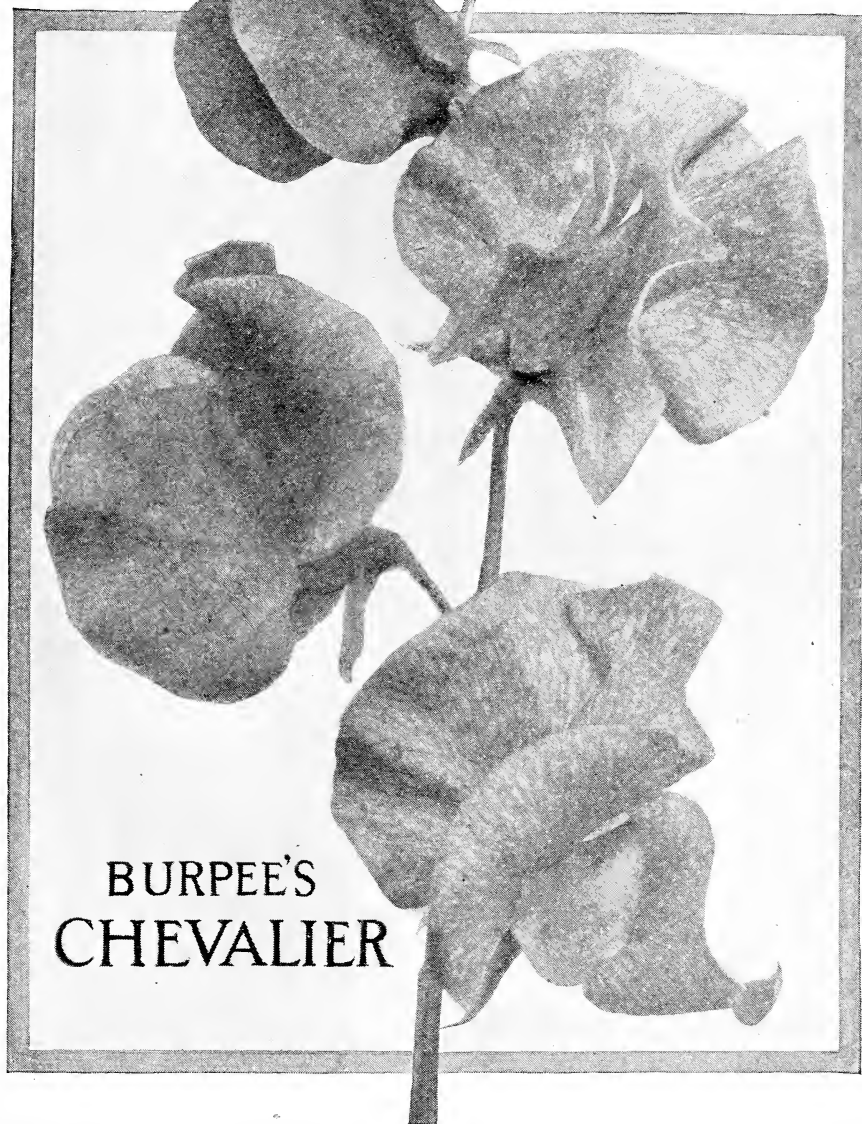

MISS SPOKANE is an "easy doer" of perfect form, with immense flowers well placed and freely produced in threes and fours. The habit is vigorous and the color always true, even in mid-winter. Packet (15 seeds) 25¢; trade packet \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

CHEVALIER

Burpee
Novelty
for 1924

**A New Fine Rose of Fore-
most Commercial Value**

CHEVALIER has been one of the most admired varieties in our exhibits at the various flower shows during the past two seasons, due to the fact that in addition to its great size of flowers and length of stem, the color is so unique. It is a true rose color, a decided self, but the rose shade is lightened with a suspicion of lemon throughout the coloring, which gives the flower, especially when bunched, a particularly bright and pleasing life-like effect which we do not find in other rose selfs. Four-flowered sprays are produced in the greatest freedom. CHEVALIER is a regular florists' variety, a novelty we have much pleasure and confidence in introducing to our friends.

Awarded a Certificate of Merit at the International Flower Show, New York, March, 1922, and the National Flower Show, Indianapolis, March, 1922. Pkt. (15 seeds) 25¢; trade packet \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

3324 **QUAKER LADY**

Magnificent flowers of light Lobelia-violet

Burpee
Novelty
for
1924

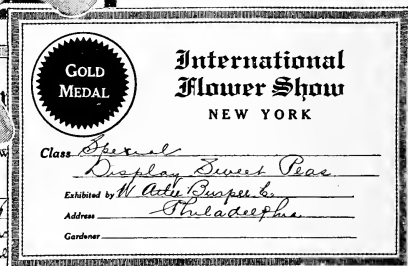

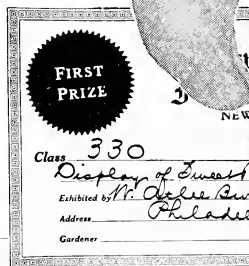

QUAKER LADY is a lavender of great distinction and decided merit. We are convinced that in time it will become one of the most popular varieties in the lavender class. It is just the color florists have been wanting for a long time. According to the color-chart, QUAKER LADY is a light Lobelia-violet approaching light Chinese-

violet. The bunch effect of this fine Burpee novelty is a clear rich lavender. The younger flowers carry a slight cast of rose in the standard, but when fully open this tinge disappears altogether. QUAKER LADY is an excellent variety for all seasons. The foliage is not unduly heavy, yet the habit of growth is strong and vigorous. The vines are most free-flowering and the large blooms are artistically arranged in fours on long and heavy stems. QUAKER LADY was awarded a Certificate of Merit at the International Flower Show, New York, March, 1922, and at the National Flower Show held at Indianapolis, March, 1922. It was the object of many favorable comments when exhibited last spring at the International Flower Show in New York, so that we are confident it is a color that will soon be very much in demand. Pkt. (15 seeds) 25¢; trade packet \$1.00; 1/2 oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; 1/2 lb. \$26.00; 1 lb. \$50.00.

**QUAKER
LADY**

The illustration of QUAKER LADY shows the artistic arrangement of the flowers on the stems. The photograph was taken this spring on Burpee's FORDHOOK FARMS.

The illustrations below show the Gold Medal and First Prize Certificates awarded to us this spring for our display of Sweet Peas at the International Flower Show, New York, 1923.

3354 KING TUT

A charming pastel shade of light rose-pink

The flowers of KING TUT are very large and they are borne on a stem of great length. The vines are vigorous and extremely free-flowering. The well-waved standard is a pleasing shade of rich rose-pink and the wings are slightly lighter in shade. The reverse or back of the standard is heavily flushed with rose-pink, the ground color being white. The bunch effect is a charming pastel shade of light rose-pink. The color as well as the size of the blooms and their well-waved character make KING TUT not only distinct but quite outstanding. Awarded a Certificate of Merit at the International Flower Show, New York, March, 1923. Pkt. (15 seeds) 25¢; trade pkt. \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

3314 JEANNE MAMITSCH

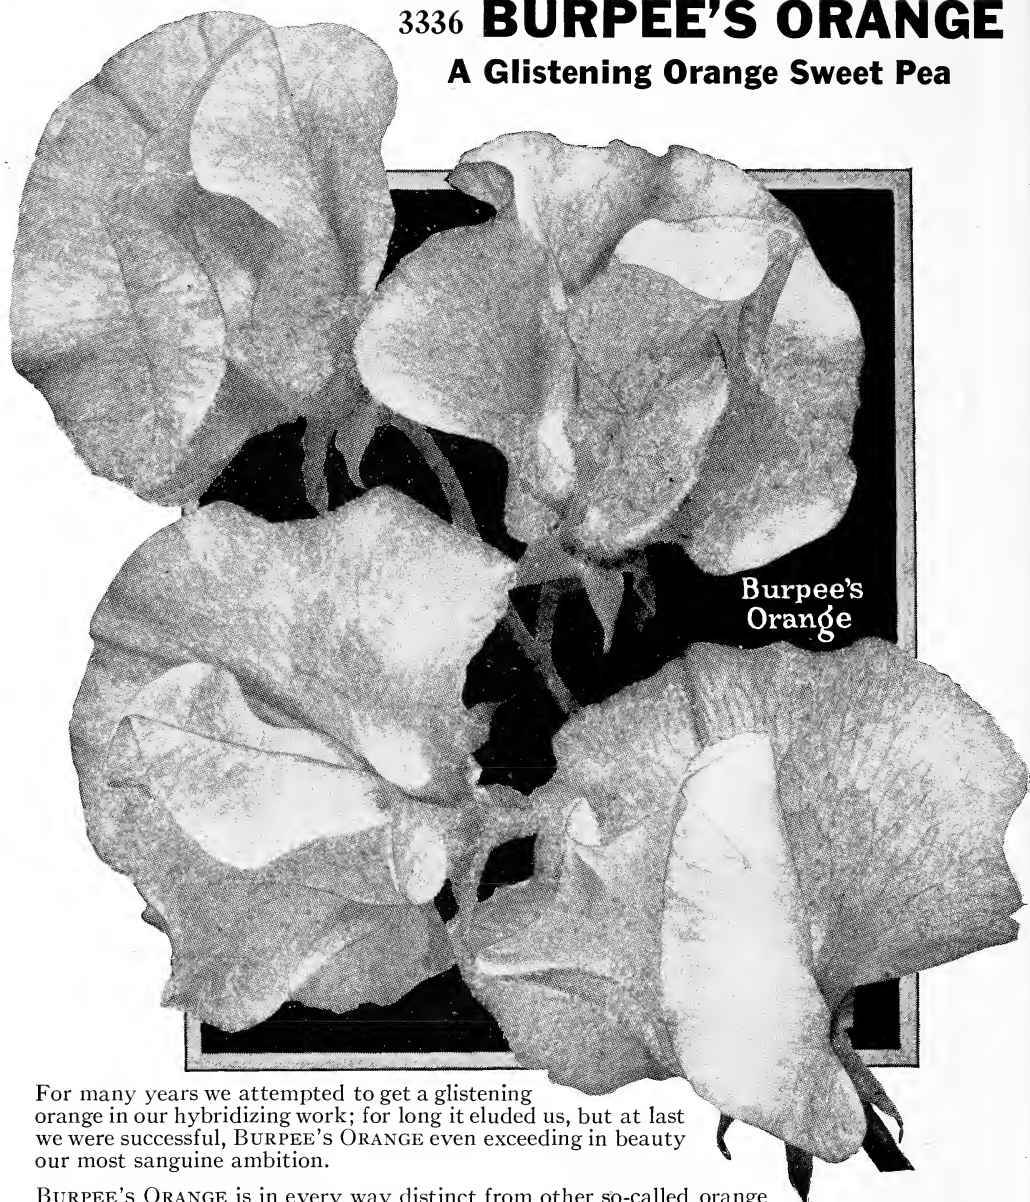

The introduction of this magnificent variety has been eagerly awaited by florists who have had an opportunity of seeing the superb flowers exhibited by the raiser at the New York Spring shows. It is fixed and true to type and color; an early and continuous producer with flowers of great size, a large proportion being borne in fours. The color is a most delightful and pleasing shade of rich glowing rose-pink. We consider JEANNE MAMITSCH to be easily the best Early-Flowering Sweet Pea in the "deep pink" section. It is a vigorous grower, with wonderfully long and strong flower-stems. Awarded Certificate of Merit at the International Flower Show, New York, March, 1920. Trade pkt. (20 seeds) \$1.00; ½ oz. \$8.00; oz. \$15.00; 4 ozs. \$58.00.

3336 **BURPEE'S ORANGE**

A Glistening Orange Sweet Pea

For many years we attempted to get a glistening orange in our hybridizing work; for long it eluded us, but at last we were successful, BURPEE'S ORANGE even exceeding in beauty our most sanguine ambition.

BURPEE'S ORANGE is in every way distinct from other so-called orange varieties. There is no trace of pink or orange-pink in either standard or wings. It is a true glowing orange self, practically the shade of a bright ripe orange.

The rich glistening color compels attention in any light, but at night, under artificial light, it is indeed outstanding. BURPEE'S ORANGE has been proclaimed by experts and the press alike as being the greatest advance of many years in this type of Sweet Pea. In the opinion of many the vases of BURPEE'S ORANGE included in our Gold Medal Exhibits at The National Flower Show at Indianapolis, March, 1922, and The International Flower Show at New York City, 1923, were the finest and most outstanding vases of Sweet Peas in the exhibitions.

BURPEE'S ORANGE is a free grower, with flowers of largest size, produced in threes and fours on stems of great length. The standard and wings are charmingly waved or crinkled. It is indeed a pleasure and also a privilege to be in a position to offer our friends and customers a variety of such merit—a variety of which we can all feel proud. BURPEE'S ORANGE was awarded Certificate of Merit at The International Flower Show, New York, March, 1921. Pkt. (20 seeds) 20¢; trade packet 50¢; ½ oz. \$1.00; oz. \$1.75; 4 ozs. \$5.25; ½ lb. \$10.00; lb. \$18.00.

3343 **BURPEE'S CHEERFUL**

One of the Finest Commercial Sweet Peas for Florists

This fine variety, introduced by Burpee in 1923, is an entirely new shade among the Early or Winter Flowering Sweet Peas. It is most appropriately named, the color being a soft, cheerful shade of Begonia-pink. The color is pure throughout, with no other tints. As a commercial Sweet Pea for the florist it is of the greatest value, the color being outstanding and in favor with the flower-buying public. Few varieties make such an imposing bunch as this great gem. The flowers combine immense size with good form. The standard is broad and well waved. The wings are also much frilled, and in size of the right proportion to the magnificent spreading standard. The whole flower is all that could be desired.

CHEERFUL is good under all conditions and lightens up to a most attractive brightness under artificial light. The substance of the flowers is thick and heavy, adding greatly to the keeping value after being cut. The blooms are well placed in fours on long stout stems.

CHEERFUL is a good grower and bears a large crop of giant flowers on strong and healthy vines. The foliage is a rich deep green. Not only are the individual flower spikes most artistic, but they make up into a delightful bunch.

Almost all visitors to the International Flower Show, 1922, showed considerable interest in the vase of CHEERFUL which we had on exhibit.

CHEERFUL was awarded a Certificate of Merit at the great International Flower Show, New York, 1921.

Pkt. (20 seeds) 20¢; trade packet 50¢;
½ oz. \$1.00; oz. \$1.75; 4 ozs. \$5.25;
½ lb. \$10.00; lb. \$18.00.

POSTPAID

All the seeds offered in this catalog will be sent postpaid to your door at the prices quoted.

3369 **MRS. KERR**

The Best Early Flowering Salmon

MRS. KERR created a sensation when exhibited at the great International Flower Show in New York, March, 1920, 1921, 1922 and again in 1923. MRS. KERR has all the desirable qualities which go to make up a perfect flower. In addition to its unique and dainty color, the plant is of most vigorous habit and extremely free-flowering. The flowers are of immense size and exquisite shape. They are a pleasing shade of rich salmon, overlaid with a soft tinge of orange. Under glass the color is intensified and indescribably beautiful; in artificial light it is simply magnificent.

The great flowers are of substantial texture, thus adding to their unusual lasting quality after being cut. MRS. KERR produces flowers which are bold in the extreme. The standard is broad, deep, and charmingly waved; the wings are well placed.

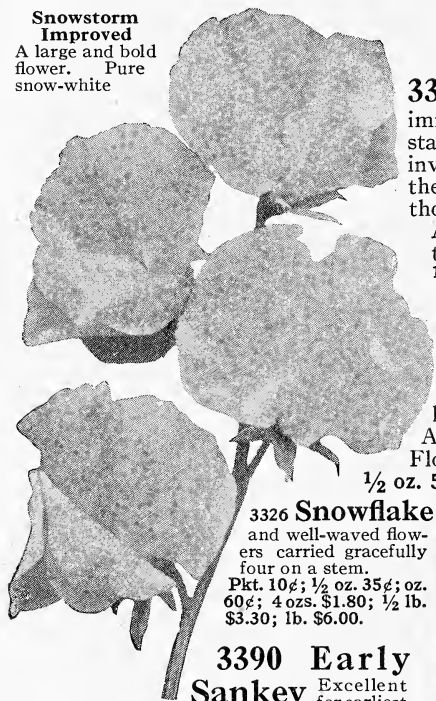

All florists who want to be up-to-date must have MRS. KERR. MRS. KERR was awarded Certificate of Merit at The International Flower Show, New York, March, 1920. Pkt. (30 seeds) 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; ½ lb. \$5.50; lb. \$10.00.

Mrs. Kerr
The Best Early
Flowering Salmon

This illustration has been reduced from a photograph taken on Burpee's FORDHOOK FARMS

WE give below a complete list of the Burpee varieties of **Early or Winter Flowering** Spencer Sweet Peas, arranged according to colors. Excepting Yarrowa, Rose Queen, Columbia, Zvolanek's Rose, Snowflake, Torch, and Jeanne Mamitsch, these have all originated with us. In breeding the Burpee varieties of Early Flowering Spencer Sweet Peas, we have selected not only for desirable colors, but also for vigor and free-blooming qualities. But the call for varieties suitable for growing in raised benches or houses where the head room is not more than 5 feet, has prompted us to introduce the varieties Sweet Briar, Primrose Beauty, and Rising Sun, which bloom profusely but do not grow over 5 feet tall.

Snowstorm Improved
A large and bold flower. Pure snow-white

WHITE

3392 Snowstorm Improved The flowers are of immense size, exquisite form, with a heavy and bold standard. A vigorous grower, the immense flowers are invariably borne in fours on very long stems. One of the best four varieties. Can be flowered for any season though it is seen at its best when the days lengthen. Awarded Certificate of Merit at The Great International Show, New York, March 20, 1918. Pkt. 15¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; ½ lb. \$3.85; lb. \$7.00.

3391 Burpee's White Star

This wonderful black-seeded white has flowers of enormous size. The color is a pure white, without any pink shading. The substance of the petals is heavy and the flowers are well-waved and crimped. Awarded a Certificate of Merit at The International Flower Show, New York, March 14, 1921. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; ½ lb. \$5.50; lb. \$10.00.

This excellent white-flowered variety bears a profusion of large

3326 Snowflake and well-waved flowers carried gracefully four on a stem. Pkt. 10¢; ½ oz. 35¢; oz. 60¢; 4 ozs. \$1.80; ½ lb. \$3.30; lb. \$6.00.

3390 Early Sankey

Excellent for earliest forcing, color good and pure, stems always long. This truly magnificent white was awarded a Special Silver Medal and a Certificate of Merit. Black-seeded. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

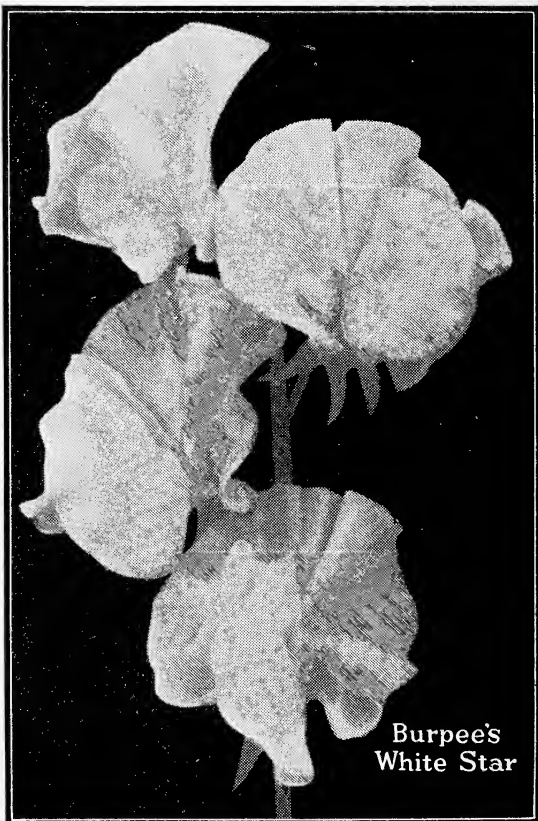

CREAM

3375a Lemon Beauty A soft primrose or pale lemon-colored variety, the standard and wings being softly tinted amber, and sometimes lightly veined with rose-pink. A strong grower, stems of great length, the immense flowers being usually borne 3 or 4 on a stem. Pkt. 15¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; ½ lb. \$3.85; lb. \$7.00.

3342 Canary Bird This is a splendid cream or primrose-colored self. The flowers are of great size, beautifully waved, and usually borne 3 or 4 on a stem. Can be flowered at any season and blooms very freely. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3384 Primrose Beauty

A pleasing shade of deep primrose flushed with rose. The flowers are of great size and beautifully waved in true Spencer form. Grown under glass, this variety attains a height of only 5 to 6 feet and is used on the side benches. One of the earliest to bloom. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

Burpee's
White Star

LIGHT PINK

3376 Loveliness *See illustration.* For dainty and delicate color effect, especially when bunched, LOVELINESS stands head and shoulders above any variety we have seen. The color is white, the entire flower being suffused soft pink until it reaches the edges, which are distinctly picoteed with rose-pink. A flower of immense size and great substance, beautifully waved and usually produced 3 or 4 on very long, stout stems. It blooms very early, flowering freely during the short days. Awarded a Certificate of Merit by The Pennsylvania Horticultural Society at their Spring Show, Philadelphia, March 23, 1915.
Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3395 Sweet Briar The color is a lovely shade of pink throughout, but with a soft salmon or amber suffusion, this being more accentuated in the younger flowers and buds. One of the earliest, but recommended only for low houses or side benches as the growth is dwarf, usually not more than 6 feet.
Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

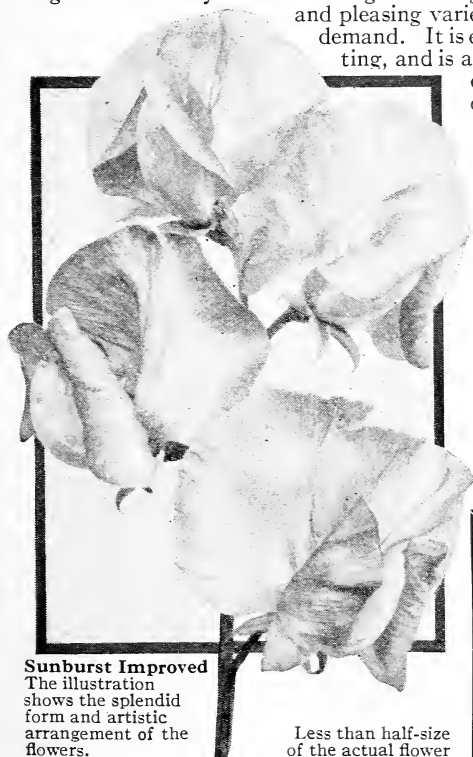

3382 Peach Blossom An altogether new and distinct color in Sweet Peas, and which may be described as a pale amaranth-pink which deepens somewhat around the edges of the standard and wings. The color becomes deeper as the days lengthen. A vigorous grower and free-flowering, with stems of great length. Excellent for all seasons.
Pkt. 15¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; ½ lb. \$3.85; lb. \$7.00.

Loveliness
This delicate light pink is a great favorite with many florists. Reduced from a Fordhook photograph

CREAM-PINK

3394 Sunburst Improved *See illustration.* The color is a pleasing and attractive shade of rich salmon-pink, intensified toward the outer portion of the standard and wings, which are overlaid with a suffusion of amber and salmon. The flowers are borne on long stout stems and the habit of the plant is vigorous, beginning to bloom early and continuing for a long time. SUNBURST IMPROVED is a particularly fine and pleasing variety and of a color that is always appreciated and in demand. It is equally valuable for fall, mid-winter, and spring cutting, and is a perfect combination to Enchantress, being practically as early and as easily grown. We have now discarded the old Sunburst, as our SUNBURST IMPROVED is ever so much better. In color it is almost identical, but perhaps a shade or two brighter. It stands to reason that with a stronger vine-growth we also find larger flowers of heavier substance and better shape. Pkt. 15¢; ½ oz. 45¢; oz. 80¢; 4 ozs. \$2.40; ½ lb. \$4.40; lb. \$8.00.

3348 Daybreak The flowers are much frilled or waved, of largest size. A pleasing shade of rich rose-pink on cream ground, the color becoming deeper toward the edges of standard and wings. The entire flower is lightly suffused with salmon. Excellent for early cutting, often retaining its buds when all others are dropping. A fine mid-winter variety.
Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3386 Rising Sun The color is a fine rose-pink on cream. A bright and most attractive flower with a fresh and distinctly beautiful appeal. As the plants attain a height of only 4 to 5 feet, the variety is useful for benches or pots only.
Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

Burpee's Floradale Farms

Burpee's Floradale Farms were established in 1909 for the sole purpose of producing Burpee's Sweet Pea seeds. After a very careful survey we selected this beauty spot in the Lompoc Valley where we found that weather and soil conditions combine to make it an ideal place for growing Sweet Pea seeds of the finest quality. Floradale is "The California Home of Flowers."

Sunburst Improved
The illustration shows the splendid form and artistic arrangement of the flowers.

DEEP PINK

3351 Enchantress *See illustration.* The flowers are immense in size,

often measuring $2\frac{1}{2}$ inches in diameter; they are exquisitely waved or frilled, well placed on stiff stems, and usually produced in threes or fours. The color is most attractive and pleasing. It is a bright rose-pink, becoming deeper toward the edges of standard and wings, gradually softening in tone toward the center of the flower. A free and continuous bloomer. One of the best deep pinks in cultivation. A great favorite with florists, due to its adaptability. Excellent for all seasons, flowering very freely during mid-winter. Very early. Awarded Certificate of Merit by The American Sweet Pea Society, San Francisco, June 9, 1916.

Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; $\frac{1}{2}$ lb. \$2.75; lb. \$5.00.

3383 Pink Beauty *See illustration.* The color is

soft rose-pink on white ground, richer toward the edges, gradually softening in color as it reaches the center of standard and wings. Suitable for all seasons; of medium height. Awarded Certificate of Merit at The International Show, New York, March 20, 1915, the Spring Show of The Pennsylvania Horticultural Society, March 23, 1915, and The American Sweet Pea Society, San Francisco, June 9, 1916, when exhibited as Fordhook Countess. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; $\frac{1}{2}$ lb. \$2.75; lb. \$5.00.

3389 Rose Queen *This is an*

early and profuse bloomer of a pleasing shade—a fine light rose-pink—that sells particularly well. The flowers are much waved, being $2\frac{1}{4}$ to $2\frac{1}{2}$ inches in diameter. They are

borne on long, strong stems and are produced with great freedom. Very tall; fine for early cutting. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; $\frac{1}{2}$ lb. \$2.75; lb. \$5.00.

Enchantress The flowers are much larger than the illustration, which was reduced from a Fordhook photograph

3337 Zvolanek's Rose Many growers consider this variety one of the best in the rose-pink class. The flowers are large and bold. They are carried in fours on long and strong stems. A free-blooming and easily grown variety. Pkt. 15¢; $\frac{1}{2}$ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; $\frac{1}{2}$ lb. \$3.85; lb. \$7.00.

3343 Cheerful CHEERFUL has quickly become a favorite with many growers who have found a ready sale at good prices for this fine novelty introduced by us last season. CHEERFUL is a most appealing shade of Begonia-pink, altogether different from any other Sweet Pea in existence. It is a magnificent flower, of large size and refined form, which makes up into an artistic bunch. Fully described on page 7. Pkt. (20 seeds) 20¢; trade packet 50¢; $\frac{1}{2}$ oz. \$1.00; oz. \$1.75; 4 ozs. \$5.25; $\frac{1}{2}$ lb. \$10.00; lb. \$18.00.

3314 Jeanne Mamitsch This is a new and most outstanding new deep pink that has had the admiration of florists as well as amateurs who have seen it exhibited by the raiser at the New York Spring shows. JEANNE MAMITSCH takes a leading place among the very best in the deep pink class. Well-grown vines bloom very profusely, and in length of stem and graceful arrangement of the blooms Jeanne Mamitsch rivals with the very best in existence. The flowers are bold and of immense size. They are wide and open, of heavy substance, with attractively waved and crinkled standard and wings. Fully described on page 5. Trade packet (20 seeds) \$1.00; $\frac{1}{2}$ oz. \$8.00; oz. \$15.00; 4 ozs. \$58.00.

ROSE

3362 Fordhook Rose, Improved

See illustration. A charming shade of rose shaded with carmine. The flowers are of largest size and usually borne in threes and fours on long, stiff stems. The color is at its best as the days lengthen. Awarded Certificate of Merit at The International Flower Show, New York, March, 1915, and at The Spring Show of The Pennsylvania Horticultural Society, Philadelphia, March, 1915. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

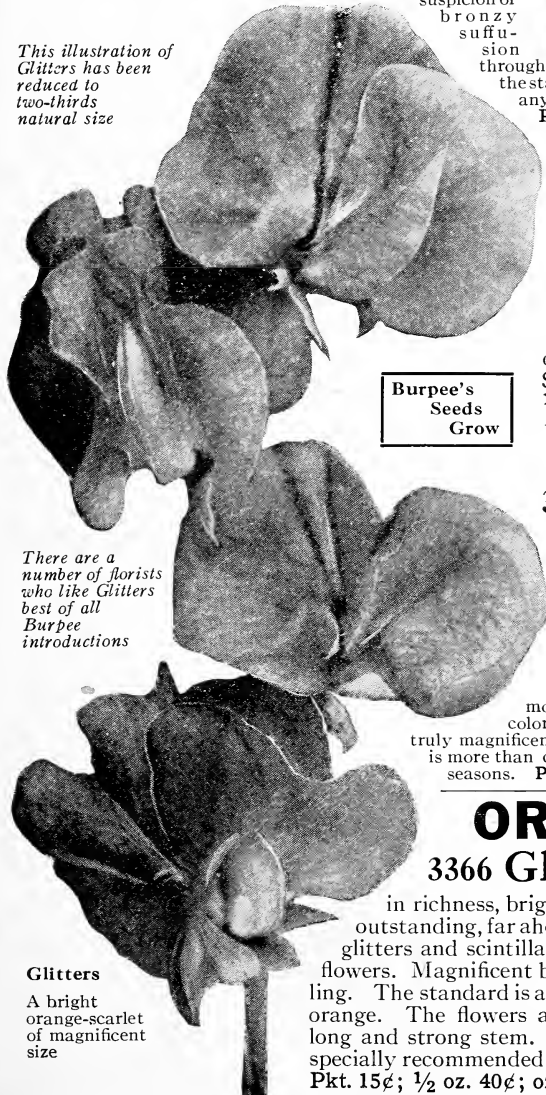

3393 Splendor

A magnificent deep rose self. The rich rose-crimson color is accentuated by the distinct white blotch at the base of standard and wings. The flowers are of great size, usually borne in fours on very long stems. Similar in color to the summer-flowering Rosalind, doing very well in spring. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3387 Rosebud

The flowers are of immense size and produced freely in threes and fours. The color is a bright shining rose with a suspicion of bronzy suffusion throughout the standard. Good for any season. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

Chevalier (Burpee Novelty for 1924).

Here is a real rose of outstanding appeal, with large, well-waved blooms. Fully described and illustrated on page 3. Pkt. (15 seeds) 25¢; trade packet \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

SALMON

3369 Mrs. Kerr (Burpee's)

This wonderful Burpee novelty has come to stay. It is the most outstanding salmon Sweet Pea ever introduced. MRS. KERR is fully described on page 7.

Pkt. (30 seeds) 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; ½ lb. \$5.50; lb. \$10.00.

3334 Apricot

A distinctly new color. Rich glowing deep salmon self, suffused with orange. Grown under glass the color is particularly rich, and under artificial light it is truly magnificent. Although the flowers are not of largest size, this is more than compensated for in the unique coloring. Fine for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

ORANGE-SCARLET

3366 Glitters

See illustration. No variety we know of approaches GLITTERS in richness, brightness, and live-fire effect. It is unique and outstanding, far ahead of all other orange-scarlet Sweet Peas. It glitters and scintillates, with a fire-like sheen radiating over the flowers. Magnificent by day, its color under artificial light is startling. The standard is a bright orange scarlet, and the wings are deep orange. The flowers are artistically placed, usually in fours, on a long and strong stem. GLITTERS is a strong and vigorous grower, specially recommended as a spring bloomer. Pkt. 15¢; ½ oz. 40¢; 70¢; 4 ozs. \$2.10; ½ lb. \$3.85; lb. \$7.00.

ORANGE

3360 Flamingo *See illustration.* This is a distinct and charming variety. The flowers are truly enormous in size, produced in threes or fours on very long, stiff stems. The broad and well-waved standard is light orange, with a suffusion of bright salmon, and the wings are a delicate shade of orange-pink. A bunch of FLAMINGO is of such rare and unique beauty that it is almost impossible to find words to describe it properly. It is a most charming combination of colors which blend into a general effect of bright, light orange. The texture of the flowers is substantial. FLAMINGO is a fine grower, with strong stems and rich green foliage, and, above all, it produces its magnificent sprays in great profusion. Pkt. 15¢; ½ oz. 40¢; oz. 70¢; 4 ozs. \$2.10; ½ lb. \$3.85; lb. \$7.00.

3336 Burpee's Orange We consider this novelty as one of the most outstanding Winter Flowering Sweet Peas we have introduced recently. Some of the largest Sweet Pea growers who have seen BURPEE'S ORANGE on exhibition share our belief and assure us that the demand for BURPEE'S ORANGE will be tremendous. Awarded a Certificate of Merit at The International Flower Show, New York, March, 1921. BURPEE'S ORANGE is fully described and illustrated on page 7. Pkt. (20 seeds) 20¢; trade packet 50¢; ½ oz. \$1.00; oz. \$1.75; 4 ozs. \$5.25; ½ lb. \$10.00; lb. \$18.00.

CERISE

3359 Fire King *See illustration.* This is an Early or Winter Flowering Fiery Cross. The color is scorching fiery red or cerise-scarlet. According to the conditions of light, it can be said to be a deep orange-scarlet with a cerise sheen. FIRE KING is outstanding in every way. It is a flower which always attracts attention on account of its magnificent color. The size of the blooms is simply immense, with a bold, erect, wide-spreading standard and large, spreading wings. The texture of the blooms is heavy and substantial. Hand in hand with the boldness of these fine flowers goes a waviness of the petals which adds greatly to the charm of this variety. In bright sunlight FIRE KING has a glow all its own, and under glass the color is greatly intensified. Recommended for early spring. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

Fire King

3370 Gorgeous A charming soft salmon-cerise self. Similar in color to the popular Edith Taylor. A unique and pleasing color, and always admired. The flowers are of great size, and generally borne in threes and fours on very stout, long stems. When known, it will be one of the most popular varieties in this section. Fine for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

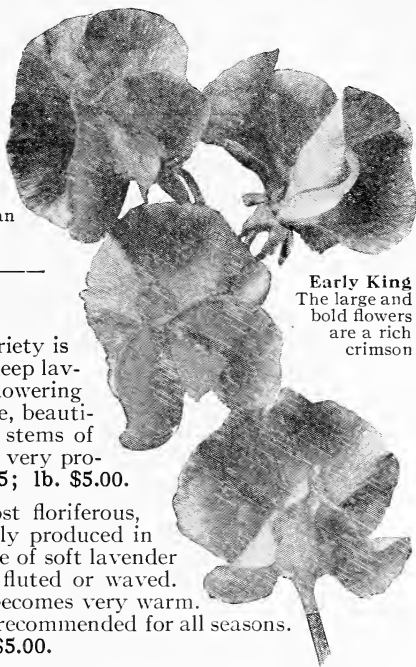

3373 Illumination This striking variety may be briefly described as a winter flowering Illuminator, but grown under glass the color is more pronounced, and under artificial light it is particularly attractive. The flowers are of great size; the color is a glowing salmon-cerise, with a suspicion of orange suffusion; vigorous and strong in habit. The flowers are usually borne in threes and fours, artistically arranged on a long and strong stem. Fine for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3344 Cherry Ripe A particularly bright and taking color and quite new in this section. It might be described as a glowing cherry or salmon-cerise self. Good for early cutting. Awarded Certificate of Merit at The International Spring Show, New York, March 20, 1918. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3331 Torch There are quite a large number of growers who have been growing TORCH because it is easily grown and blooms very freely. The flowers are a fine deep cerise with an orange suffusion—a color that is readily sold on most markets. The flowers are of fully rounded form, large size, and heavy substance. They are carried in fours, well arranged on long strong stems. Pkt. 10¢; ½ oz. 35¢; oz. 60¢; 4 ozs. \$1.80; ½ lb. \$3.30; lb. \$6.00.

CRIMSON

3374 Early King *See illustration.* In color it is similar to King Edward Spencer, having all the characteristics of that fine variety. A glowing bright crimson. The flowers are of great size and perfect form, averaging fully 2 inches in diameter. They are produced freely in threes and fours on strong stems of great length. Recommended for all seasons. Awarded Certificate of Merit at The International Flower Show, New York, March 20, 1916, and The Pennsylvania Horticultural Society, Philadelphia, March 23, 1915, when exhibited as Fordhook Crimson; also at The Annual Exhibition of The American Sweet Pea Society, San Francisco, June 9, 1916. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

The large and bold flowers are a rich crimson

LAVENDER

3375 Lavender King This glorious variety is a rich and true deep lavender throughout. Similar in color to the summer-flowering variety, Burpee's Orchid. The flowers are of large size, beautifully waved form, and borne in threes and fours on stems of great length. Excellent for early cutting and borne very profusely. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3385 Princess A vigorous grower and most floriferous, the large flowers being freely produced in fours on long, stout stems. The color is a lovely shade of soft lavender suffused mauve. The flowers are most attractively fluted or waved. PRINCESS retains its color even after the weather becomes very warm. PRINCESS has proven to do well at all times and can be recommended for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3399 Zephyr This is a delightful shade of pale blue or lavender. An extremely dainty and charming variety. A color much in demand in some markets. The habit is free, and it is a continuous bloomer. The flowers, which are of large size, are borne freely four on a stem of great length. It is a fine variety for mid-winter cutting. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3324 Quaker Lady (*Burpee Novelty for 1924*) This is a worthy addition to the lavender class, being a clear and rich color, with flowers of remarkable size and exquisite form. Fully described and illustrated on page 4. Pkt. (15 seeds) 25¢; trade packet \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

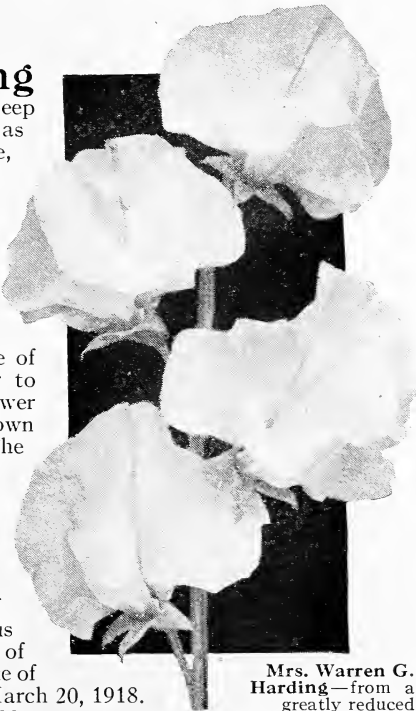

BLUE

3341 Mrs. Warren G. Harding

See illustration. MRS. WARREN G. HARDING is a deep shade of silvery blue—the color that is so well known as "The Harding Blue." The flowers are immense in size, with a broad and much frilled standard. The plants make a strong growth and bloom very freely. The magnificent blooms are carried in fours and they are artistically arranged on a long and strong stem. Can be flowered at any season, and will continue to bloom for many months; especially recommended for spring blooming. Pkt. 15¢; ½ oz. 55¢; oz. \$1.00; 4 ozs. \$3.00; ½ lb. \$5.50; lb. \$10.00.

3338 Blue-Bird This is a charming shade of blue. Somewhat similar to Wedgwood, but more of a true self, especially as the flower ages. It has become a leader in its color and is now grown very largely by florists in all parts of the country. The fine large flowers are invariably borne in fours. Recommended for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3396 True Blue As the name implies, this lovely variety is a charming shade of true blue or light violet-blue, a color much wanted in this type. The flowers are of great size, much waved or crimped, strong and vigorous in growth, and most floriferous. Does not grow out of bounds. Excellent for all seasons. Awarded Certificate of Merit at The Great International Show, New York, March 20, 1918. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

DARK BLUE

3340 Blue Jacket This variety will certainly become popular with all Sweet Pea lovers who prefer the dark shades. It is a rich dark navy-blue self. Extremely free-flowering and usually produced in fours. A few shades deeper than our Blue-Bird, we anticipate it will become quite as popular as that well-known variety. Excellent for all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

MAUVE AND PURPLE

3367 Glorious This magnificent variety may be described as an early-flowering Royal Purple, the color being identical to the popular summer-flowering variety of that name. A charming shade of warm rosy purple. The flowers are of great size, beautifully waved and fluted, and invariably produced in threes and fours on very long and strong stems. Good at any season. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3380 Mauve Beauty See illustration. The flowers are a pleasing shade of rosy mauve; of immense size, often measuring 2½ in. in diameter, yet exquisitely waved and of best Spencer form. A strong, vigorous grower and very free-flowering. Charming under artificial light. Blooms freely at any season. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

MAROON

3377 Maroon Prince This fine variety will appeal to those having a preference for the darker and richer colors. The flowers are of great size, beautifully waved, and borne freely in threes and fours. The blooms are a deep, rich, glowing reddish maroon. MAROON PRINCE is quite distinct and is a really unique color. A strong grower and most profuse bloomer. Color pure at any season. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

Mauve Beauty
A flower of great size and splendid form

PASTEL PINK

3356 Fairy Queen A most pleasing pastel or art shade, the color being bluish-pink, with pale salmon suffusion, having darker veinings of rose. A most vigorous and free-flowering variety. The flowers are large, with broad, gracefully waved standards and wings. There are usually three or four blooms on the long and strong stems. Tall and strong. The color is best in spring, as the days begin to lengthen. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3354 King Tut (*Burpee Novelty for 1924*) This beautiful pastel-pink novelty was awarded a Certificate of Merit at the International Flower Show, March, 1923, New York City. Pkt. (15 seeds) 25¢; trade packet \$1.00; ½ oz. \$2.75; oz. \$5.00; 4 ozs. \$15.00; ½ lb. \$26.00; lb. \$50.00.

PICOTEE

3346 Daintiness See illustration. This has always been a favorite since it was first exhibited in 1915, when it was certificated. A strong grower, with flowers of largest size and usually produced in fours. Color pure white edged rose. Similar to summer-flowering Dainty. Good at any season. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3352 Exquisite The ground color is a soft shade of primrose, the edge of the standard and wings being beautifully "picoteed" with deep rose-pink. A strong, robust grower. The large flowers are freely borne on long, stiff stems. EXQUISITE has become very popular in some markets. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

The actual flowers are close to twice the size shown in the illustration

BICOLOR

3361 Fordhook Pink and White *See illustration.* This

is similar to the old Blanche Ferry, one of the great favorites for greenhouse culture, having a bright rosy pink standard with creamy white wings, lightly suffused rose. A strong grower with four flowers to the stem. Recommended for both early and late cutting. Blooms very freely and continuously.

Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

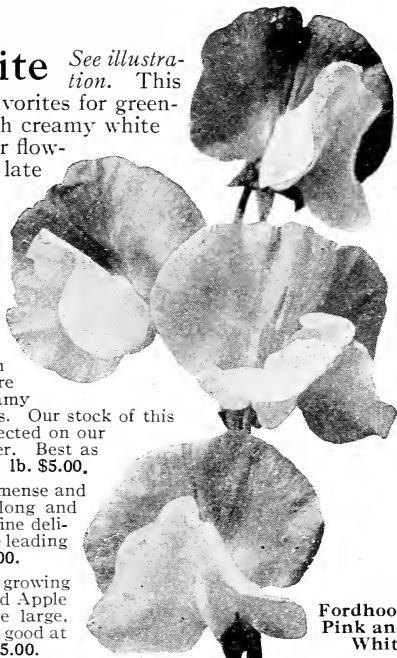

3353 Fairy A flower of great size and exquisitely waved. Color rich cream, the standard suffused with pinkish apricot. The mass effect when bunched is charming, the color being so dainty and striking. A strong, vigorous grower and extremely free-flowering. The fine large flowers are at their best as the days lengthen.

Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3398 Yarrawa The flowers average 2½ inches in diameter; and many of them are duplex or double. The color is a bright rose-pink with a clear creamy base. The long and strong stems usually carry four large blooms. Our stock of this popular Australian variety is absolutely true. Grown and re-selected on our FLORADALE FARMS from seed procured direct from the introducer. Best as the days lengthen. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3347 Columbia A remarkably fine variety, with immense and heavy flowers borne in fours on long and strong stems. The standard is a rich rose-pink and the wings a fine delicate creamy white. As soon as better known this will be one of the leading varieties. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3358 Favorite *See illustration.* A very free and strong growing variety. The color is similar to the old Apple Blossom. Rosy pink standard and bluish wings. The flowers are large, well waved and of fine form. Excellent for bunching. The color is good at all seasons. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

STRIPED AND FLAKED

3335 Aurora The color is white, artistically flaked rich orange-scarlet. A sturdy grower, with large flowers all boldly waved and fluted. The color is always good. Best as the days lengthen. AURORA has become quite a favorite on some markets. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3345 Columbine Somewhat similar to the well-known America Spencer. Color white, the entire flower being striped and flaked rich rose. The flowers are large and of fine form and will be welcomed by those who have a preference for striped and showy colored flowers. A medium grower. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3372 Harlequin Similar in every way to the summer flowering variety Senator Spencer, but early flowering. Light heliotrope ground, striped and flaked deep chocolate and claret. A vigorous grower, the immense flowers are freely borne on long stems, usually in threes and fours. It is the most conspicuous of all the striped and flaked varieties.

Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

3357 Fantasy Striped and marbled with rich rose-pink on a creamy white ground. Exceedingly bright and makes a telling bunch when cut. The flowers are borne with the greatest freedom over a long period. Produces a great number of ours. Pkt. 10¢; oz. 50¢; 4 ozs. \$1.50; ½ lb. \$2.75; lb. \$5.00.

MIXTURES

3400 Sunrise Mixture It is a carefully composed blend of the finest of the many named varieties of Burpee's Early-Flowering Spencers. As with all our blends, we have taken care to determine the right proportion of the different colors to produce the most harmonious and pleasing effect. The seed has all been grown on our own FLORADALE FARMS and is the best that it is possible to produce. Pkt. 10¢; oz. 40¢; 4 ozs. \$1.20; ½ lb. \$2.20; lb. \$4.00.

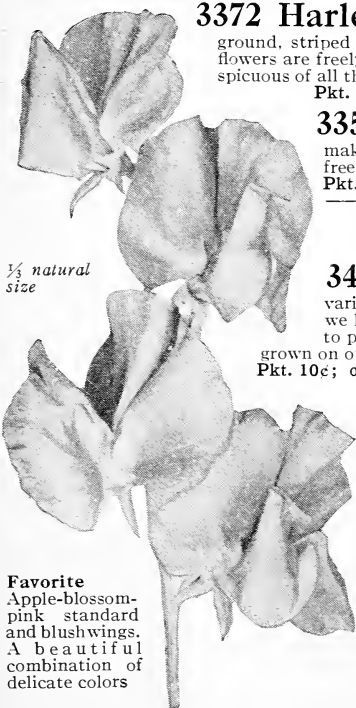

3401 Special Mixture of Light Shades

In contrast to our Sunrise Mixture, this Special Mixture contains only light shades, such as white, cream, pink, salmon, lavender, etc. Many of our customers who grow Sweet Peas in a limited way prefer to grow a mixture of these light shades because they find a ready sale for it. Pkt. 10¢; oz. 45¢; 4 ozs. \$1.35; ½ lb. \$2.50; lb. \$4.50.

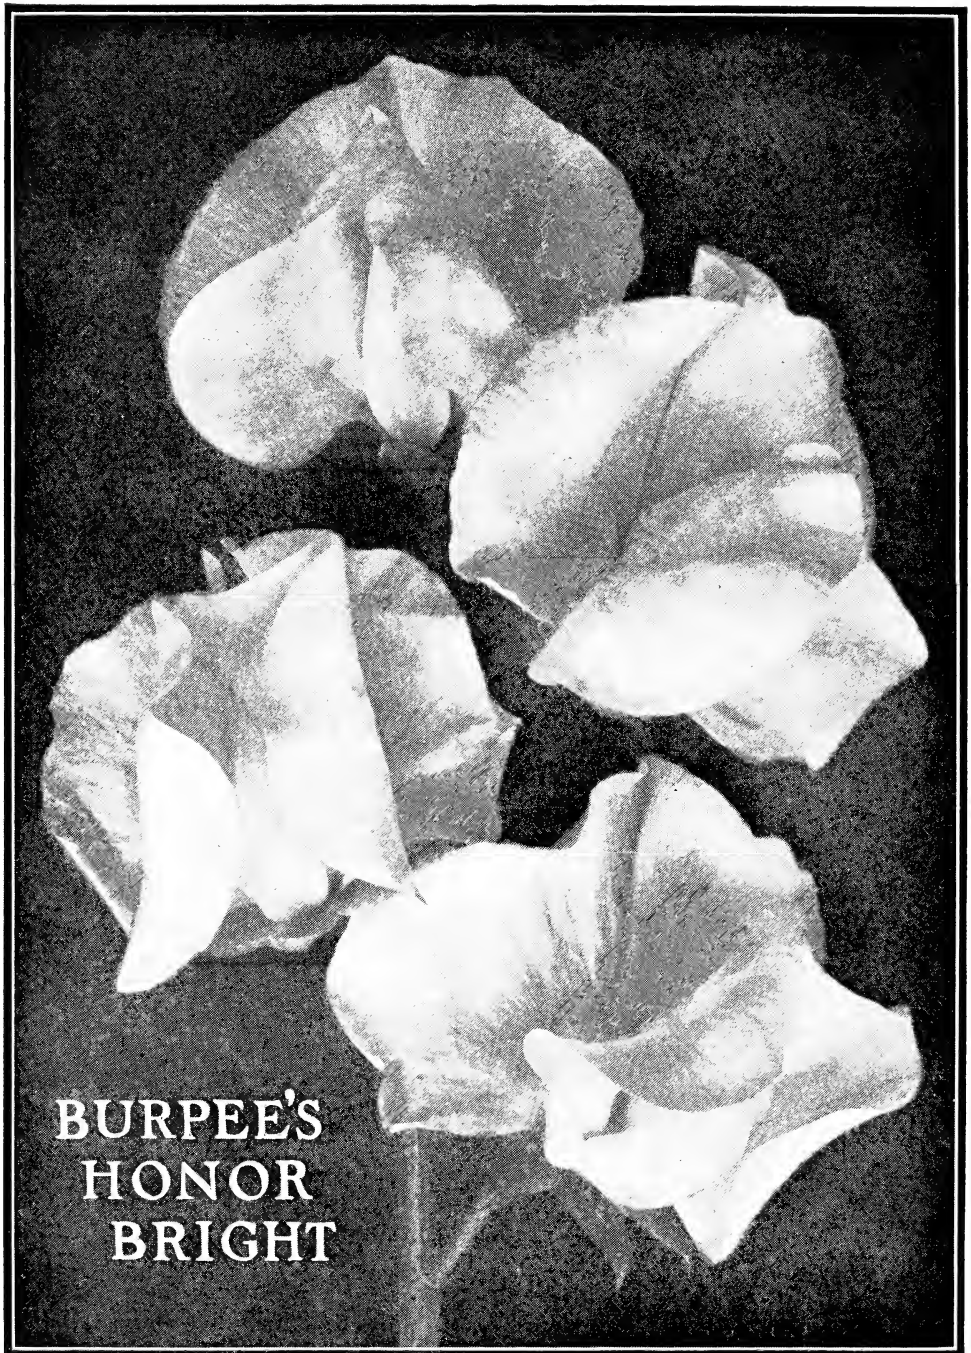

The Four Burpee Novelties of Winter Flowering Sweet Peas for 1924

Miss Spokane, Chevalier, Quaker Lady, and King Tut

are illustrated and fully described on the covers and on pages 2 to 5. We feel confident that these varieties will appeal to almost all of our many florist friends and we are glad to offer the seed of them at this time to the commercial growers of Sweet Peas in advance to introducing them to the general public during the spring of 1924.

3481 Burpee's Honor Bright One of Burpee's New Summer Flowering Sweet Peas

BURPEE'S HONOR BRIGHT has flowers which are really immense in size. It is a particularly strong grower, though it does not run to coarseness. The flowers, invariably borne in fours, are a rich, glowing, deep rose-pink on cream ground. The standard is softly suffused with salmon, while the wings are a delightful shade of pinkish rose on salmon. There is a distinct blotch of buff-primrose at the base of both standard and wings.

The large blooms are well placed on their long stems, and are most beautifully waved or fluted. Pkt. (20-30 seeds) 25¢; ½ oz. \$1.10; oz. \$2.00; 4 ozs. \$6.00; ½ lb. \$11.00; lb. \$20.00.

SUMMER FLOWERING SWEET PEAS

We recommend the Summer Flowering Sweet Pea for general outdoor growing throughout the United States, except in the extreme south, where Sweet Peas bloom during the winter and the Early Flowering type gives the best results. Many florists combine in their outdoor planting a few rows of the Early Flowering kind to get the advantage of early flowers, following with a large sowing of the Summer Flowering Sweet Peas for the principal crop for cutting during June and July. As the early blooms bring the best price, many growers start the seeds in pots early in February, placing the pots later on in a cold-frame and transplanting them into the open as soon as the danger of severe frost has passed. Where greenhouse room is not available the seeds can be started in pots which are placed out in the cold-frame. These early sowings will usually make the strongest growth and bear blooms from 2 to 3 weeks before the outdoor sowing.

White

3490 King White Remarkable for the glistening purity of the whiteness and the perfect finish of the flower. Pkt. 10¢; oz. 25¢; 4 ozs. 75¢; ½ lb. \$1.40; lb. \$2.50.

3475 BURPEE'S GIANT WHITE The most perfect black-seeded white Sweet Pea in existence. The flowers are of wonderful size and superb form. Four large flowers carried on a long stem. Pkt. 10¢; ½ oz. 35¢; oz. 60¢; 4 ozs. \$1.80; ½ lb. \$3.30; lb. \$6.00.

3435 CONSTANCE HINTON A very fine black-seeded, white-flowered variety; of largest size and perfect form. It is a well-known standard variety. Pkt. 10¢; oz. 25¢; 4 ozs. 75¢; ½ lb. \$1.40; lb. \$2.50.

3590 WHITE SPENCER An old standard variety of good size and form. Blooms freely and continuously. Pkt. 10¢; oz. 25¢; 4 ozs. 75¢; ½ lb. \$1.40; lb. \$2.50.

Pkt. 10¢; oz. 25¢; 4 ozs. 75¢; ½ lb. \$1.40; lb. \$2.50.

Burpee's Pansies

Our strains of Pansies are recognized to be far superior to the so-called large-flowered strains. The flowers are invariably of much larger size and heavier texture. Grown under favorable conditions, the plants will bloom for a long time. The varieties we list are all standards in their color classes and come true to name, with but an occasional sport, in contrast to the common large-flowered strains, which are to a marked degree impure or sporting.

2421 Snow Queen A magnificent pure white, of large and heavy texture. A free bloomer. Pkt. 10¢; 1/8 oz. 40¢; 1/4 oz. 70¢; oz. \$2.50.

2429 Lord Beaconsfield Ultramarine-blue, shaded with violet, gradually shading to a velvety white on the upper petals. A most wonderful and showy Pansy. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

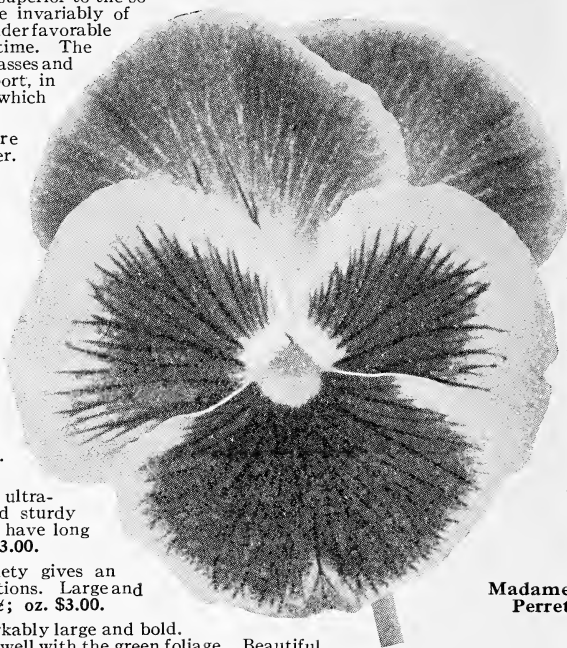

2430 Peacock A beautiful shade of violet-blue, as iridescent as the eye in peacock feathers. Blooms very freely and continuously. Pkt. 15¢; 1/8 oz. 50¢; 1/4 oz. 95¢; oz. \$3.50.

2431 Imperial Blue Remarkably pretty ultramarine-blue with deeper blotch. Strong and sturdy plants with rich green foliage. The flowers have long stems. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

2433 Andromeda This fine mauve variety gives an unusual opportunity for delicate color combinations. Large and bold flowers. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

2435 Royal Purple The flowers are remarkably large and bold. A beautiful deep rich royal purple, contrasting well with the green foliage. Beautiful and rich in color. Combines well with light shades. Pkt. 10¢; 1/8 oz. 40¢; 1/4 oz. 70¢; oz. \$2.50.

2437 Victoria Pleasing wine-red or nearly blood-red flowers of well-rounded form. We have an extra fine large flowering strain. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

Madame
Perret

2441 Golden Bronze A fine large flower of an odd shade. Old gold or golden bronze with lighter margin. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

2442 Meteor The three lower petals are brown, with bright canary-yellow border, and the two upper ones vary from reddish brown to dark purple, margined with gold or silver. The contrast of colors is striking. Pkt. 10¢; 1/8 oz. 40¢; 1/4 oz. 70¢; oz. \$2.50.

2443 Black King Coal-black flowers of a velvety texture. Blooms profusely and continuously. Pkt. 10¢; 1/8 oz. 40¢; 1/4 oz. 70¢; oz. \$2.50.

2445 President Carnot Large and well-waved flowers with a broad pure white border around a purple blotch. Pkt. 10¢; 1/8 oz. 45¢; 1/4 oz. 80¢; oz. \$3.00.

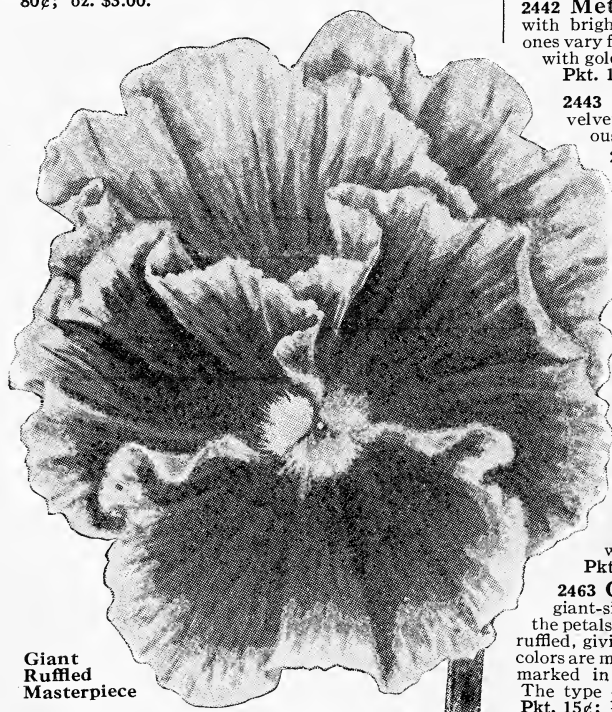

2447 Lord Baltimore The large flowers are rich golden yellow with pure, shining black blotch. Pkt. 15¢; 1/8 oz. 60¢; 1/4 oz. \$1.10; oz. \$4.00.

2449 Hortense Rose Each flower-petal is blotched with rose, varying in shade, but all delicately beautiful. Of large size. Pkt. 15¢; 1/8 oz. 70¢; 1/4 oz. \$1.30; oz. \$5.00.

2451 Madame Perret The lower petals are usually canary-yellow, white, or rose-pink, marked with purple or crimson. The upper petals are either self-colored in bright red and deep purple or outlined with white. Pkt. 15¢; 1/8 oz. 50¢; 1/4 oz. 95¢; oz. \$3.50.

2450 Giant Bridesmaid Beautiful apple-blossom shadings or lovely rose on white ground. Delicate and beautiful. Pkt. 15¢; 1/8 oz. 50¢; 1/4 oz. 95¢; oz. \$3.50.

2463 Giant Ruffled Masterpiece The truly giant-sized flowers are of the most striking character; the petals have so much substance that they are heavily ruffled, giving them the effect of a double flower. The colors are mainly rich dark shades, bordered, blotched, or marked in ray-like veinings with contrasting colors. The type of flower is well shown in our illustration. Pkt. 15¢; 1/8 oz. 70¢; 1/4 oz. \$1.30; oz. \$5.00.

2513 Burpee Blend of Giant Fancy Pansies

This blend cannot be surpassed. It contains the largest and most beautiful of all blotched Pansies that have been developed after many years of careful and close selection.

The Burpee Blend contains only well-formed, expanded flowers of uniform large size with an unusual range of colors and markings. The texture of the blooms is heavy and thick, so that the blooms are well waved and crinkled on the edges. The large flowers are borne upon long and stiff stems which hold them well above the foliage and make them admirably suited for cutting. The seed of the Burpee Blend is necessarily expensive, but it is well worth all it costs. **Pkt. 35¢;**

$\frac{1}{16}$ oz. 75¢; $\frac{1}{8}$ oz. \$1.25; $\frac{1}{4}$ oz. \$2.25; oz. \$8.00.

Burpee Blend of Giant Fancy Pansies

2500 Steele's Mastodon

Greenhouse Special Mixture (O. K. outside)

Immense and well-shaped flowers with thick and well-waved petals. Includes everything from pure white to deep mahogany. The very fine lavender, rose, cerise, and light blue shades deserve special mention. This mixture is particularly fine for the greenhouse or for frames, but will do just as well out in the open. **Pkt. 25¢; $\frac{1}{16}$ oz. 60¢; $\frac{1}{8}$ oz. \$1.00; $\frac{1}{4}$ oz. \$1.75; oz. \$6.00.**

2461 BUGNOT This is a very large-flowering strain with blooms of thick texture and rich coloring. Each petal has a large dark blotch and the color from this blotch radiates toward the margin of the petals. A unique and most beautiful strain that will please all Pansy lovers. **Pkt. 15¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.10; oz. \$4.00.**

2459 PARIS IMPROVED BLOTCHED This is another very fine large-flowered strain which blooms profusely and continuously. Each petal is marked with a well-defined, large dark blotch. **Pkt. 10¢; $\frac{1}{8}$ oz. 45¢; $\frac{1}{4}$ oz. 80¢; oz. \$3.00.**

2460 Cassier's Giant The flowers are of immense size, and all are either three- or five-spotted. Very pretty. **Pkt. 15¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.10; oz. \$4.00.**

2417 Orchid-Flowered Pansies

This distinct and beautiful strain of Pansies will appeal to those who prefer delicate tints and soft shades of coloring. The flowers are all of fine form and good size. They bloom freely from spring until late in the fall, and the unique colorings are altogether different from any other Pansies. **Pkt. 20¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.10; oz. \$4.00.**

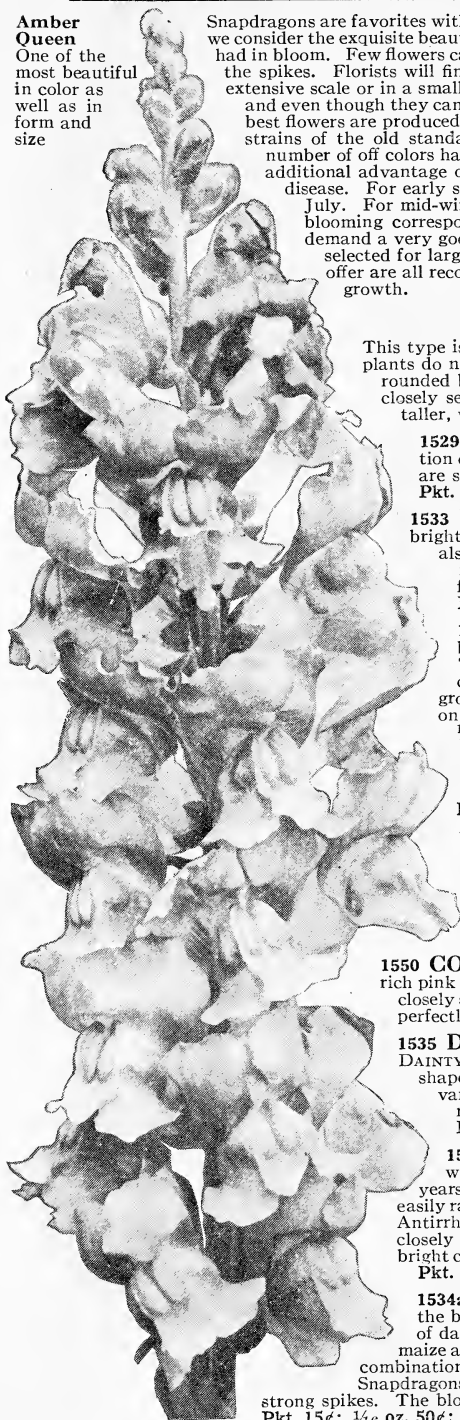

Burpee's Orchid-Flowered

SNAPDRAGON—ANTIRRHINUM

Amber Queen

One of the most beautiful in color as well as in form and size

Snapdragons are favorites with the American public, and this is not to be wondered at when we consider the exquisite beauty of their flowers and the long season during which they can be had in bloom. Few flowers can equal Snapdragons in brilliancy of color and gracefulness of the spikes. Florists will find that there is money in Snapdragons whether grown on an extensive scale or in a small way. They are usually handled to follow Chrysanthemums, and even though they can be had in bloom at Christmas it is in the early spring that the best flowers are produced. With the newer and improved varieties and our re-selected strains of the old standards, the former trouble of plants from seed showing a large number of off colors has been practically eliminated. The growing from seed has the additional advantage of giving a reasonable assurance against the carrying over of disease. For early spring blooming the seed should be sown about the middle of July. For mid-winter blooming sow correspondingly sooner and for late spring blooming correspondingly later. Well-grown spikes of Antirrhinums usually demand a very good price during the winter and spring. Our strains have been selected for large flowers closely set on long, strong stalks. The varieties we offer are all recognized as leaders in their colors and are of strong and robust growth.

Half-Dwarf Varieties

This type is the most widely grown during the winter. In the open plants do not grow more than 15 inches high and they make completely rounded bushes which are literally covered with magnificent spikes of closely set flowers. Grown under glass the plants grow considerably taller, with spikes 2 to 3 feet in length.

1529 AMBER QUEEN The flowers are a beautiful combination of colors—rich yellow overlaid with chamois-pink. The spikes are strong and heavy, closely set with well-shaped flowers. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1533 Brilliant Rose This is a very attractive variety with bright rose colored flowers. The blooms are not only very large but also of perfect form. Grown outdoors, they are compact and neat in appearance, and under glass the spikes are of good size for cutting. This is a quick seller during winter and spring. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1532a Captivation This is a newer variety which has been greatly admired by all who had an opportunity to see it. The flowers are large and well formed. Their color is a rich chamois shaded with pink. The plants are robust and strong-growing, and the formation of the blooms and their arrangement on the stems are all that can be desired. Pkt. 15¢; $\frac{1}{16}$ oz. 75¢; $\frac{1}{8}$ oz. \$1.25; $\frac{1}{4}$ oz. \$2.25; oz. \$7.50.

1531 Carmine Queen A brilliant shade of rose-carmine. CARMINE QUEEN is a very free-flowering variety, with large blooms set closely on long strong stems. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1533a Climax Popular fancy seems to strive toward the brighter colors in Antirrhinums, particularly in those varieties which are grown for winter blooming. The flowers of CLIMAX are a most brilliant and rich orange, shading to gold in the center. It is a flower of wonderful beauty. The blooms are closely set on long heavy stems. Pkt. 15¢; $\frac{1}{16}$ oz. 75¢; $\frac{1}{8}$ oz. \$1.25; $\frac{1}{4}$ oz. \$2.25; oz. \$7.50.

1550 COTTAGE MAID In this variety we have an attractive rich pink lightened up by a bright yellow lip. The flowers are large and closely set on the stem. Our re-selected strain of Cottage Maid comes perfectly true. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1535 Dainty Queen To those who prefer the delicate shades, DAINTY QUEEN will be most appealing. The flowers are large, well shaped, and are closely set on the heavy stems. Their color is a variation of salmon-buff shades standing out sharply from the rich green foliage. DAINTY QUEEN is a superb cut-flower. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1539 DAPHNE This variety has gained great popularity within a very short time, having been introduced not so many years ago. It is a strong-growing and free-flowering sort which is easily raised under glass and shows all the fine characteristics of a good Antirrhinum for cutting. The blooms are large, well shaped, and closely set on the stalks. The color is a most attractive shade of bright coral-rose and white. It makes up into very attractive bunches. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1534a Electra The combination of colors is not unlike some of the beautiful autumn shades so prevalent among the newer kinds of dahlias. The magnificent blooms are a combination of salmon, maize and orange. There is a softness and refinement about the color combination which makes ELECTRA one of the most outstanding of all Snapdragons. It is a free-bloomer, carrying the bold, heavy flowers on strong spikes. The blooms are set closely together and form a solid mass of color. Pkt. 15¢; $\frac{1}{16}$ oz. 50¢; $\frac{1}{8}$ oz. 85¢; $\frac{1}{4}$ oz. \$1.50; oz. \$5.00.

1535a Fascination Among the newer varieties FASCINATION is most outstanding on account of its remarkable color. The flowers are of a deep flesh-pink, a color that is not only pleasing but lends itself well in combination with other shades. FASCINATION is an excellent variety for winter cutting. Of strong, sturdy habit and free-blooming character, it will please all growers. Pkt. 15¢; $\frac{1}{16}$ oz. 50¢; $\frac{1}{8}$ oz. 85¢; $\frac{1}{4}$ oz. \$1.50; oz. \$5.00.

1553 FIREBRAND Many gardeners consider this one of the best as far as brilliancy of color is concerned. The color is a flaming scarlet, of an intensity and richness that is surprising and appealing. The flowers are large, well shaped, and the habit of the plant is most excellent. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1536 HAWLMARK SALMON The bronzy salmon flowers are shaded with yellow on the lip and are most impressive either in borders or as cut-flowers; comes perfectly true to color. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1551 Mauve Beauty This is quite a departure from the usual run of colors found in Snapdragons. The blooms are an attractive shade of soft mauve which is considerably deeper and more pronounced when grown under glass. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1538 NELROSE NELROSE is now seen in practically all the larger flower markets and has proven a popular seller. The flowers are a rich silvery pink. The habit of the plant is remarkably strong and the blooms are borne closely set on long and strong spikes. There is always a good demand for NELROSE. Pkt. 15¢; $\frac{1}{16}$ oz. 50¢; $\frac{1}{8}$ oz. 85¢; $\frac{1}{4}$ oz. \$1.50; oz. \$5.00.

1542 PRIMA DONNA In PRIMA DONNA we have a terra-cotta variety which is quite outstanding in many respects. The color of the flower is bright and lustrous. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1544 PURITY This is a beautiful new pure white variety with a glistening sheen. Contrasting sharply with the flowers is the rich deep green foliage. PURITY is a strong and healthy grower, not easily attacked by the Snapdragon rust. Pkt. 15¢; $\frac{1}{16}$ oz. 35¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.00; oz. \$3.50.

1547 Queen of the North This is an old standard variety with large white flowers. The blooms are borne freely on good size stems and the plants are most floriferous. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1546 Scarlet King For brightness and live-fire effect SCARLET KING holds a place all its own. The blooms are an intense shade of bright scarlet. They are large, well-formed, and made up into attractive spikes. A strong grower. Pkt. 15¢; $\frac{1}{16}$ oz. 35¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.00; oz. \$3.50.

1534 Shell-Pink This has proven to come true to its color and habit. The flowers are large; of a soft shell-pink color with a satiny finish and of excellent form. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1548a SILVER-PINK The flowers are a clear pearly pink self that stands out strongly from the rich green foliage. It is an appealing color and has proven a good seller on the best markets, where it commands a high price. Pkt. 10¢; $\frac{1}{16}$ oz. 35¢; $\frac{1}{8}$ oz. 60¢; $\frac{1}{4}$ oz. \$1.00; oz. \$3.50.

1554 Sparkler Quite an odd combination, with rich cherry-rose flowers which are marked with a few large white spots on the margin of the lips. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1552 The Fawn A fine combination of salmon, buff, and chamois. Blooms freely and is of extra large size. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1541 Velvet Gem

Large flowers of a deep blackish maroon. The foliage is also of a rich deep bronzy color.

Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 30¢; $\frac{1}{4}$ oz. 40¢; oz. \$1.00.

1548 Vesuvius The large flowers are a deep vivid orange or flame color. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 40¢; $\frac{1}{4}$ oz. 75¢; oz. \$2.00.

1549 Fancy Mixed A complete mixture of all the above and many other fine half-dwarf varieties. Pkt. 10¢; $\frac{1}{8}$ oz. 20¢; $\frac{1}{4}$ oz. 30¢; oz. 75¢.

Tall Varieties

The tall varieties grow 3 to 4 feet high in the open. Grown under glass they produce spikes 4 to 5 feet tall.

1565 Giant White Pure white with a faint yellow lip. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 35¢; $\frac{1}{4}$ oz. 50¢; oz. \$1.50.

1556 Giant Yellow Magnificent clear and rich yellow flowers of large size. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 35¢; $\frac{1}{4}$ oz. 50¢; oz. \$1.50.

1564 Giant Silver-Pink A much admired shade of delicate pink. Pkt. 10¢; $\frac{1}{16}$ oz. 25¢; $\frac{1}{8}$ oz. 45¢; $\frac{1}{4}$ oz. 80¢; oz. \$2.50.

1555 Giant Scarlet This is a very bright shade of rich scarlet. Pkt. 10¢; $\frac{1}{16}$ oz. 20¢; $\frac{1}{8}$ oz. 35¢; $\frac{1}{4}$ oz. 50¢; oz. \$1.50.

BURPEE'S CALENDULAS

Orange
King
Calendula

With the introduction of the beautiful and vastly improved strains of Calendulas these flowers have quickly been taken up by nearly all the better growers, who found a big profit in raising Calendulas in the greenhouse for the mid-winter market, when orange and golden yellow flowers are rather scarce. Calendulas are easily grown in a cool greenhouse and our strains have been carefully selected for large size flowers, doubleness, roundness of the blooms, and free-blooming habit. They have proven to produce wonderfully double and immense blooms, measuring 3 to 4 times the size of the outdoor stock. The florist who grows for his own retail trade or for the wholesale market will find Calendulas an easily grown and most profitable crop that sells well from the time the Chrysanthemums leave off until the outdoor plantings of Calendulas begin to bloom. Our present strain is the result of many years of painstaking work to improve the old type, and by our careful method of selection and under the favorable conditions of the California climate—for we grow our Calendula seed on Burpee's Floradale Farms in California—we evolved a strain which we believe will delight the most particular purchaser.

1802 ORANGE KING This variety has so far proven to be the most popular of all in the winter market. The preference of the public for ORANGE KING is without doubt due to its brightness of color. Few other orange flowers rank with ORANGE KING in intensity and richness of color. Our improved strain produces enormous blooms when properly grown which are fully double to the very center, with large, broad flower-petals.

It is a strong grower and produces its mammoth blooms in the greatest profusion. As large growers of Calendula seed, we can offer this superb stock at a very reasonable price. Pkt. 10¢; oz. 20¢; 4 ozs. 60¢; lb. \$2.00.

1800 LEMON QUEEN This is a fine companion to Orange King, with flowers fully as large and of as good form. The color is an intensely rich lemon-yellow. In general habit, freedom of blooms, and strong growth, it matches well with Orange King. Floradale-grown seed. Pkt. 10¢; oz. 20¢; 4 ozs. 60¢; lb. \$2.00.

1803 Royal "Trianon" We feel sure that this variety will find a ready sale wherever it is shown. The flowers of our improved strain are large and of perfect form. The color is a rich sulphur-yellow, and the petals are tipped with rich mahogany-red. The center petals are deep mahogany-brown. The combination of colors is unique and very attractive.

Pkt. 5¢; oz. 20¢; 4 ozs. 60¢; lb. \$2.00.

1799 Favorite In this variety we have a combination of creamy white petals which contrast sharply with the mahogany-brown tips. The petals are placed regularly in shingle-like fashion and the blooms are not only large but of good, well-rounded and fully double form. Pkt. 5¢; oz. 20¢; 4 ozs. 60¢; lb. \$2.00.

1806 Meteor In this fancy variety each individual flower-petal has broad orange stripes on a creamy white ground. The combination is quaint but pleasing. The flowers are large and fully double. They are borne profusely and are noted for their strong growth. Pkt. 5¢; oz. 20¢; 4 ozs. 60¢; lb. \$2.00.

BURPEE'S MIGNONETTE

Mignonette has proven profitable when grown in the greenhouse, as the spikes bring a good price during mid-winter. They are much valued for their delicate fragrance and may be combined effectively with many other flowers. It is important for the florist to start with a good strain in order to raise salable flowers. The seed which we offer has all been grown from carefully selected stock-seed and it will please any grower. Mignonette is easily grown in a solid bed or on a bench, and in a house where a temperature of from 45 to 48 degrees can be maintained.

2218 GOLIATH This is an excellent variety which for many years has been carefully selected for plants of robust growth and rounded form. The individual flower-spikes are exceptionally long and heavy. They are fully rounded at the top, broad and massive, and closely set with large coppery red florets. In order to produce showy exhibition spikes only one or two shoots should be allowed to develop on each plant. Pkt. 10¢; ¼ oz. 35¢; oz. \$1.00; 4 ozs. \$3.50.

2226 PEARL OR WHITE GOLIATH This is without question the best white Mignonette in existence. It is a strong grower, of healthy and robust habit. The flower-spikes are strong and sturdy. They are closely set with large white blooms. The heads are thick and heavy, the top is broadly rounded, and the whole spike has a magnificent, massive appeal. We have a superb strain of this. Pkt. 10¢; ¼ oz. 30¢; oz. 95¢; 4 ozs. \$3.25.

2229 Red Monster This has impressed us as one of the best Mignonettes we have ever seen. The plants are of strong robust growth, and neat in appearance. They are crowned with broad massive heads of large, rich red florets which are deliciously fragrant. Pkt. 10¢; ¼ oz. 30¢; oz. \$1.00; 4 ozs. \$3.00.

2213 Giant-Flowered Machet This is by no means a new variety, but continuous selection has gradually improved it so that today it is still one of the most widely grown varieties. The florets are large and of an attractive gray color. The spikes are deliciously fragrant. It is a free-blooming variety that does well under almost any conditions. Pkt. 10¢; ¼ oz. 25¢; oz. 75¢; 4 ozs. \$2.25.

2217 Golden Sunset We consider this the best of all yellow Mignonettes, with magnificent golden yellow spikes which are sweet scented. It is a strong grower with good size, broad spikes. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.80.

2232 Fordhook Finest, Mixed For those who prefer to grow a mixture of the best varieties, we have prepared this blend which we know from our own trials will give entire satisfaction. It contains seed of all the best varieties. Pkt. 10¢; oz. 45¢; 4 ozs. \$1.25.

LARKSPUR

The annual Larkspur is much valued by florists on account of its bright colors and its usefulness for many purposes. For fall blooming sow the seed outdoors about the middle of June, but it is in spring, and particularly around Easter-time, that there is the greatest demand for Larkspurs as cut-flowers. To have the plants in bloom around Easter-time sow the seed some time during December and again the latter part of January.

Tall Double

This type of Larkspur is the most desirable, producing tall spikes averaging 30 inches in height, closely set with finely petalled, double flowers. The individual blooms are an inch or more in diameter.

2125 White Pure snow-white flowers of large size and elegant form. The blooms are closely set on long stately spikes which contrast sharply with the foliage. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2123 Rose This is an attractive clear bright rose. The flowers are fully double, and in size and good form they do not stand behind any of the others. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2127 Sky-Blue This shade is very much admired by everyone. It is a clear sky-blue. The flowers are large, and closely set on fine long stems. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2135 Purple The flowers are a rich shade of purple. They are not only large but fully double, and are well arranged on heavy spikes. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2136 Flesh-Pink A beautiful shade of flesh-pink. It makes a wonderful bouquet. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

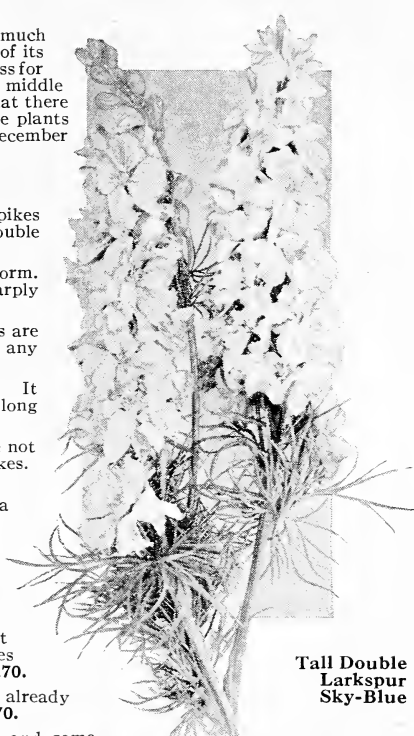

2138 Lustrous Carmine This is a bright and lustrous color which contrasts well with the fine light foliage. The spikes are strong and closely set with blooms. They make very attractive bouquets. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2139 Dark Blue DARK BLUE rivals closely with Sky-Blue in popularity. In size of blooms, doubleness, and arrangement, it ranks among the best. Blooms freely and continuously and makes a most excellent cut-flower. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2121 New Red This is a pleasing, new rosy red shade that has already become very popular. Pkt. 10¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

2124 Mixed In this mixture we have included all the above and some other fine colors. Pkt. 5¢; oz. 30¢; 4 ozs. 90¢.

2122 Double Dwarf Rocket, Mixed This dwarf variety makes neat little bushes and contains all the colors known in this type. Pkt. 5¢; ¼ oz. 20¢; oz. 60¢; 4 ozs. \$1.70.

CYCLAMEN

Cyclamen are perhaps the most popular of all pot-plants around Christmas. The time required to raise good flowering-plants from seed varies between 16 and 18 months, and so for Christmas-flowering June and July are the right months to sow the seed. Our seed of Cyclamen has been saved from the very best show-plants so that we feel sure it will please the most particular growers.

3930 Pure White A free-flowering variety with large, pure white flowers borne well above the foliage. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

3931 Light Pink This is a shade which sells very readily. The blooms are borne in the greatest profusion and they are a bright light pink color. Of magnificent size. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

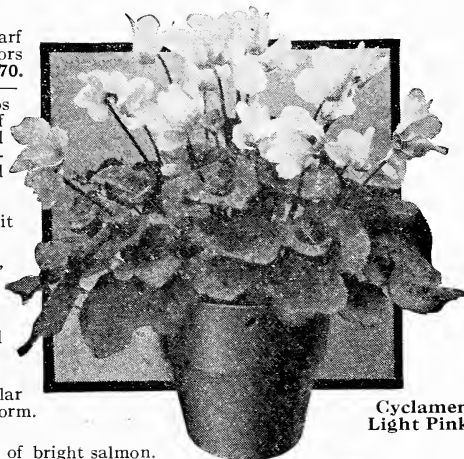

3932 Deep Pink This color is another one of the popular sellers. It is a floriferous variety, with large blooms of good form. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

3933 Salmon A rather new and very beautiful shade of bright salmon. It seems to us that this will become very popular as soon as it is better known. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

3934 Crimson A fine pure color and the blooms are borne very profusely. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

3935 White, Carmine Eye An old standard that has held its own in competition with many other varieties. It is one of the most free-flowering. Pkt. (15 seeds) 25¢; 100 seeds \$1.25; 1000 seeds \$11.75.

3924 Giganteum, Mixed The colors range from white to darkest crimson with all intermediate shades. It is a blend of the very best. Pkt. (15 seeds) 20¢; 100 seeds \$1.00; 1000 seeds \$9.50.

GERANIUM

It is almost unbelievable that a florist could get along without Geraniums. They can be had in bloom any time during the year. To grow Geraniums from seed is becoming more popular every year, particularly since our reselected strains of Floradale-grown seed have proven vastly superior to most of the named varieties propagated by cutting.

3937 Floradale Fancy We consider our strain unsurpassed not only in size of blooms but also in freedom of flowering, strong growth, and assortment of colors which range from pure white to deepest crimson with many intermediate shades—some of them altogether new. Pkt. 20¢; ¼ oz. 25¢; ¼ oz. 60¢; oz. \$2.00.

PERENNIAL FLOWER SEEDS

There is money in perennial plants providing one goes after this business in order to develop it. Perennials are easily grown in the open, and require comparatively little room and only a small amount of attention. The young plants of the better-known and showy varieties demand an unusually good price. They will sell readily if placed on display, as your own stocks will look so much better than the plants which may have been on the road for a long time, shipped from some distant wholesale growers of perennial plants. And, of course, you will want to grow quite a good quantity of plants to furnish cut-flowers during the spring, summer and fall. Our perennial flower seeds are grown with the same exacting care practised in the production of all other Burpee seeds.

LUPINUS

Here is a flower that in late years has gained great favor with the flower-buying public. This is not to be wondered at when we consider the handsome spikes and their keeping qualities as a cut-flower. The best time to sow is in June and they will bloom freely every year during the summer and fall.
